

Executive Director

Merced County Health Consortium (MCHCC) is seeking an Executive Director. The Executive Director will report directly to the Board of Directors. The Executive Director will be a visionary healthcare executive with experience building strong relationships and is focused on what is best for the community. The Executive Director will have operational experience, the ability to successfully implement strategic plans and will provide administrative direction, and lead day-to-day operational issues. The position requires a highly dynamic entrepreneur with a strong health background and cultural and linguistic sensitivity to different perspectives; positive, forward thinking; and a self starter. The Executive Director must possess knowledge of local, county, state, and federal funding resources as well as 501(c)3 organizations; a Bachelor's degree, a Master's preferred, with at least 5 years of previous managerial experience. Please send resumes to cgonzales@livingstonmedical.org
